MURO – OUTSTANDING FINCA WITH SEA VIEWS

Idyllically located in gorgeous natural surroundings, on a sweet slope between the towns of Muro and Santa Margalida, this unique finca enjoys staggering sea views of the bay of Alcúdia.

Built in three main blocks where the bedrooms area are on the sides and the living space in the middle.

In the wings we find four double bedrooms with ensuite, walk-in dressing room and with stunning open views.

In the middle section we have the fully furnished designer kitchen, dining area and comfortable sitting room.

The house is built in a way to totally appreciate the stunning views of the delightful landscape, with big double glazed windows and doors: every frame is a picture!

The property is equipped with underfloor heating, Air Conditioning, Internet & wi-fi., Satellite tv, laundry, and many storages. Part of the efficiency of the estate is also provided by own water well, big water deposit and solar panels that produce 10% of electricity consumed.

On the outside, set in the established and manicured gardens, we find the stunning infinity swimming pool, that utilises a new electrolyse system, more sympathetic with skin and well being.

In the front of the house we also find an imposing and spacious terrace and a BBQ area.

This extraordinary finca is a place of rest and relaxation, where one can totally enjoy the outstanding quality of the building itself and the tranquillity of the surroundings. Ideal place to live all year round and to invite family and friends to share the experience.

Located close to the charming village of Muro and only a few kilometres away from two of the best beaches of Mallorca (Muro and Can Picafort), it will take around 35 minutes to reach Palma by motorway or by Train.
