PALMA - BEAUTIFUL FINCA WITH ESTABLISHED GARDENS-ORCHARDS AT ONLY A FEW MINUTES FROM THE CITY'S CENTER

At only a few minutes away from the City's center we find this beautiful country house. With very easy access, the property has the advantage of its own private water well and for this reason a very well established garden with many vegetables and fruit trees of many kinds. The large plot develops over 18.780mq and surrounds the house which, with its 245mq built, hosts five double bedrooms, two full and spacious bathrooms, a laundry, separate kitchen, comfortable sitting room with fireplace and a closed garage, which could be transformed in a further bedroom/studio if needed. Set in a very quiet location, the estate relishes privacy and stunning views over the Tramuntana mountain range. Built in 1992, the property could benefit from an update which will enhance its real value.
