## FELANITX – STUNNING COUNTRY HOUSE WITH BEAUTIFUL VIEWS AND STABLES

This beautiful renovated finca between Felanitx and Manacor is situated in a privileged position. Surrounded by its 21.330m<sup>2</sup> plot and with beautiful views over the countryside, this classic building of 329 m<sup>2</sup> offers five generous double bedrooms and four bathrooms. The elegant interiors have been refurbished with typical Mallorquin materials. This light flooded property, thanks to high ceilings and big double glazed windows and doors, is the perfect place to live all year round.

The property has its own water, main electricity, very efficient oil underfloor heating and solar panels. On the outside we encounter the stunning swimming pool encircled by a stone terrace, lawn and a gorgeous established garden.

On the Estate we also find a small building used to keep garden tools, a 80 sqm building that has been adapted to receive guests, another big building that houses beautiful stables ideal for horse lovers as part of the land has been thoughtfully planned for this specific use and two enclosed garages.
